## ABOUT THE PROPERTY

This 100-year-old bungalow was recently renovated by myself and my family. Transforming it from drab and dingy to the light-filled space you see today.

We love this home - especially the outdoor spaces. Our yard is the perfect space for socializing with neighbors, sitting by the fire on chilly winter nights, and reading in the hammock. Best of all, there's a private outdoor shower on the back deck.

The interior is serene, minimalistic, and creatively inspiring. The bedroom offers a queen-sized memory foam mattress - ideal for a great night's sleep.

The office is private, although there isn't a door to this room. Feel free to utilize this workspace if you work remotely and keep your clothes in the closet and drawers.

The hallway is where I keep all household pantry items, and laundry. If you're going to do laundry, there is a mesh bag for the detergent pods and dryer sheets available for your use.

Household cleaning items are located underneath the sink in the kitchen.

# MEET THE HOST

## HEY! I'M BRITT

Water-obsessed, bibliophile, world-traveler &, plant-based foodie.

Before nesting in St. Petersburg, Florida, I lived out of a suitcase while traveling the world for five years straight. My passport tells the tale of European summers, months backpacking through Asia, and solo, road trips around New Zealand.

These days, Michael, my partner, and I, enjoy a more simple and local lifestyle in our Historic Kenwood home. Since purchasing this 100-year-old bungalow in April 2020, I've devoted most of my time to renovating it from the ground up alongside my brothers and dad. We did everything from rebuilding the foundation to constructing the pergola. It was a true labor of love!

While the work was rewarding, and we love this city and neighborhood, We're eager to hit the road and explore this beautiful country, which allows us to share our home with you!

We love meeting people from different parts of the world and look forward to helping make your stay in St. Pete as comfortable and memorable as possible!

Thanks so much for choosing us and we hope to welcome you back soon!

## ANYTHING ELSE

While we plan to spend most of our time in our home states of Connecticut and Maryland, we have plenty of friends, neighbors and family in the area that have offered to help with anything you, our guest, may need. So, please don't hesitate to contact us if you need anything - whether it's a restaurant recommendation, or an extra blanket!

## CHECK IN

Welcome! We're looking forward to hosting your stay in St. Pete. Parking in front of the home along the road is free. Ensure you're parked on the right side of the road, facing the right direction. We'll message you the code to the front door prior to your stay. Just pull the door closed and turn the lock. Everything within the home is ready for your stay. The backdoor is a bit sticky, so it needs to be closed with some oomph. Please only lock the deadbolt - NOT the handle. Check-in is anytime after 1PM.

## CHECKOUT

Checkout is before 11AM. Prior to checkout we just ask that you take out the trash and recycling. The gate in the back of the home provides quick and easy access to the alley where there are large black bins for trash and blue bins for recycling. Also, please do not leave dishes in the sink and run the dishwasher if there are any dirty items.

Please ensure the home looks similar to how it did when you arrived.

## CANCELLATIONS

We currently have a moderate refund policy which allows guests to receive a full refund as long as they cancel 5 days prior to arrival. In addition to moderate, we also offer a non-refundable option with 10% savings.

## DIRECTIONS

Our bungalow offers easy and convenient access to 275 and is located approximately 20 minutes from Tampa International Airport and 15 minutes from St Pete Airport (pending traffic.) We're happy to provide directions if needed!

# INSTRUCTIONS

*just a few things to remember*

# HOUSE RULES

We have a super strict no-party or excessive external noise policy. The property is designed for peace and relaxation. We also love and respect our neighbors, many of whom have families and children. Please remember, that you are in a residential area - so please ensure noise is at a minimum after 9 PM.

We like to provide access to our propane fireplace on the patio, as it's a beautiful way to enjoy an evening with a glass of wine. However, we ask that you

exercise caution and ensure the tank is turned off when not in use.

Lastly, please do not lock the handle on the backdoor - ONLY the deadbolt.

## IMPORTANT!

*If you are unsure about how to use anything or have questions regarding the house rules - please don't hesitate to contact me directly.*
